## Opening Protocols

By Appointment ONLY - Please make all appointments before coming into the clinic. We offer consultations for all treatments, we unfortunately cannot treat walk-in's

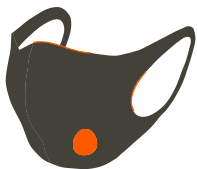

Please arrive ON TIME, at your appointment time. We ask you please do not arrive 5-10-15 minutes early as we are limiting the number of people in the clinic.

Please arrive alone, we are limiting the number of people in the building at any one time. This applies to all treatments.

No Food and Drink to be brought into the clinic, this is due to bringing unwanted waste into the building. Please dispose of any waste before you arrive.

Please follow the instructions on HAND WASHING and HAND SANITISER when entering the clinic. We ask all clients thoroughly wash their hands while in the clinic.

Please bring with you a Mask or Face Covering suitable to be worn during treatment. Should you not have one one will be supplied, however please note we are limited in supplies.

If you have any symptoms of COVID-19 we ask you please, please stay at home. Symptoms can be found on the .gov website. Please inform us as soon as you know, this also includes after your appointment.

Please take a moment and read through these measures, each protocol has been put into place to safeguard all staff and visitors at Absolute Skin.
